I am to request that the Government may be pleased to accord sanction for substituting the accompanying revised forms in the place of those already in use.

SECRETARIAT
19 SEP 1919

S i r ,

With reference to your letter No.G.3915 Cts. 12-19-2 dated the 15th August 1919, requesting certain information regarding revised Criminal quarterly statement No.2, I am directed to state as follows:-

Questions (i) & (ii). The information regarding conviction of persons will continue to be furnished in Quarterly Statement No.1. The Chief Court consider it unnecessary to open additional columns in statement No.2.

Question (iii). A reference to the Police under section 202, Criminal Procedure Code does not form a disposal of the case. The Magistrate merely directs a local investigation by the Police for the purpose of ascertaining the truth or falsehood of the complaint. After considering the result of the investigation, he is bound to adopt the procedure prescribed in section 203 Criminal Procedure Code. A reference is only an intermediate stage in an enquiry and cannot be considered as a disposal even for purposes of statistics.

Question

Question (iv). So far as the Magistrate is concerned the commitment amounts to a disposal and it will be entered in Column 7 of statement No.2. The Sessions Judge will show the case as an institution in his monthly statement. Similarly cases under Section 494 Criminal Procedure Code will also come under Column 7.

Corresponding forms of statements Nos.2 and 5 of Madras are herein enclosed for reference. Bombay forms are not available.

I have the honour to be,

S i r,

Your most obedient servant.
